At this time also, we are returning invoices numbered 36246, 36247 and 36271 since it appears that invoice 36271 is a duplicate billing of the transportation charges billed and paid on invoice 36763; and invoices 36246 and 36247 do not fulfill the requirements of the contractual agreement. Before payment can be made on the last 2 mentioned invoices, we must have a list of the persons who traveled, dates traveled, itinerary and costs associated with each trip, along with paid receipts supporting those costs, as required by Exhibit "Bq. #2".

25X1 We are withholding payment of invoice No. 36256 in the amount of [redacted] pending the execution of Amendment No. 3 which provides additional funds for fiscal year 1958. As we understand it, this Amendment was mailed to you on 18 December 1958 and has not been returned to date. Your attention toward getting Amendment No. 3 signed and returned promptly will enable us to make payment on invoice No. 36256 without returning it to you. Our established policy, however, permits holding of unpaid invoices for only thirty days.

Very truly yours,

(2)

Doug
